

Qualitu Flexible Metal Ducts

# PASB Black Jacket Insulated

## UL Listed and Labeled Insulated Class 1 Flexible Aluminum Air Duct.

### PRODUCT DESCRIPTION

#### Class 1 UL, Flexible Air Duct for Mobile Homes

PASB is manufactured in 8ft lengths with your choice of end crimped or with an aluminum coupling. The crimped end is reinforced and readily accepts screws. This duct is suitable for mobile and modular homes. Because of the metal liner the duct discourages the penetration of vermin. The jacket is polyethylene and is a full 4mm thick. Product is to be installed in accordance with ADC guidelines.

### AVAILABILITY

#### Diameters available

4",5",6",7",8",9",10",12",14",16",18",20".

The product is delivered in 2'x 2' x 8' feet boxes and is not compressed. We feel that if you compress the duct it compromises the R value of the insulation.

### PERFORMANCE DATA

Maximum Positive and Negative Pressures  
Sizes 4" to 10" Diameter 12" W.C.  
Sizes 12" to 24" 8" W.C. Maximum  
Velocity 5000 FPM  
Operating Temperature -100F to +250F

Flame spread is less than 25 and the smoke developed of less than 50. This duct meets the requirements of numerous city and government standards.

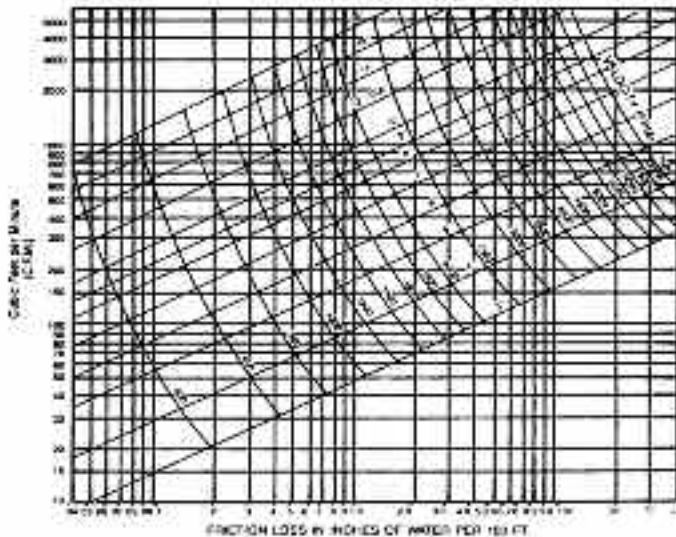

Thermal Value: The duct is tested to R6 and bears the UL adjunct marking linking it to the ADC Thermal Certification Mark. Other R values are available on request.

This duct is described in UL File MH29962

Meets UL 181 Class 1 requirements.

Aluminum Flexible Duct
